National Coordinator
Michael T. Hilton
University of Pittsburgh

Alumni Coordinator
John Wenzel
Villanova University

EMS Week Coordinator
Timothy J. McMichael
Juniata College

National Collegiate Emergency Medical Services Foundation

Conference Policies

The following exist to ensure a safe and enjoyable conference experience for all attendees:

1) Attendees are expected to conduct themselves as the young-adult professionals that they are and to display the same degree of decency and respect toward other conference attendees, hotel guests, and staff that they would exhibit while responding to campus medical emergencies and interacting with patients.

2) Noise production is to be kept to a level appropriate to an indoor hotel environment and is to be respectful of the hour and considerate of the surroundings.

3) The consumption of alcohol by those younger than the federal and state legal minimum drinking age of 21 years as well as the use of drugs or other illegal substances by attendees of any age is strictly prohibited.

4) Common areas and private rooms of the host facility are to be left in the same fashion in which they were found upon arrival. Any damage to, or destruction of, property will be the financial responsibility of the offending individuals.

5) Participation in conference lectures and activities grants permission for the use of one's image in NCEMSF publications and promotional materials.

6) Conference speakers are experts in their given fields. The information they present and opinions they express, however, are not necessarily those of NCEMSF. Attendees are reminded to follow their prescribed operating procedures and to contact their agency's medical director before changing medical protocol.

The aforementioned apply in addition to stated policies of the Crowne Plaza Valley Forge Hotel, and laws of the Commonwealth of Pennsylvania, and the United States.

Failure to comply with any of the above may result in eviction from the conference and/or hotel without a refund. Additionally, civil and/or criminal penalties may apply.

Your conference participation and signature below upon check-in attest to your acceptance of the policies listed.

About NCEMSF

Founded in 1993, NCEMSF is a 501(c)(3) non-profit professional organization committed to scholarship, research and consultancy activities and to creating a safer, healthier environment on college and university campuses. Comprised of approximately 200 college campus based emergency medical service (EMS) agencies trained to respond within minutes and provide care tailored specifically to campus emergencies, NCEMSF's purpose is to support, promote, and advocate EMS on college and university campuses nationwide. In addition to providing for the acquisition of medical knowledge, campus based EMS allows student participants to develop certain life skills including leadership, communication, and decision making. NCEMSF provides a forum for communication and creates an environment where ideas can be exchanged and problems can be solved.
