CALL FOR POSTER ABSTRACTS

25th Annual NCEMSF Conference (Philadelphia, PA)

February 23-25, 2018

The Journal of Collegiate Emergency Medical Services (JCEMS) and NCEMSF are proud to host the **Academic Poster Session** at the 25th Annual Conference.

Abstracts for poster presentations are encouraged from students and professionals on (1) original research or (2) the development and evaluation of novel initiatives and programs. Topics include:

- Pre-hospital patient care
- Operations, communications, and equipment
- Training and education
- Administration and agency development
- Career and alumni resources
- Campus public health and safety

Authors of accepted abstracts will present posters at a 1-hour academic poster session.

All accepted abstracts will be published in *JCEMS*.

Submission Guidelines

Deadline:
January 15, 2018

For details, please review the Poster Abstract Submission Guide at:
www.ncemsf.org/conference/2018-conference

Review and Selection

Abstracts will be reviewed and selected by the *JCEMS* Editorial Board. Independent reviewers with subject-matter expertise may also review submissions.
