

CALL FOR POSTER ABSTRACTS

27th Annual NCEMSF Conference (Boston, MA)
February 28, 2020 - March 1, 2020

The Journal of Collegiate Emergency Medical Services (JCEMS) and the National Collegiate EMS Foundation (NCEMSF) are proud to host the annual **Academic Poster Session** at the 27th Annual Conference.

Abstracts for poster presentations are encouraged from students and professionals on (1) original research or (2) the development and evaluation of novel initiatives and programs. Topics include:

- Prehospital patient care
- Operations, communications, and equipment
- Training and education
- Administration and agency development
- Career and alumni resources
- Campus public health and safety

Authors of accepted abstracts will present posters at a 1-hour academic poster session.

All accepted abstracts will be published in JCEMS.

Questions: Email JCEMS@CollegeEMS.com

Submission Guidelines

Deadline:
December 1, 2019

Submit abstracts at:
NCEMSF.org/conference/conference

Please review the Poster Abstract Submission Guide at:
CollegeEMS.com/academic-poster-session/

Review and Selection

Abstracts are reviewed and selected by the JCEMS Editorial Board and at least two blinded, independent reviewers with subject-matter expertise.
